Bethany Gardens

Development is an aspect that cannot be overlooked when an Institution strives for progress. Bethany Gardens was a barren land twelve years ago. Now it is the shelter for many destitute people. It is not only a Home but also a Community Centre indulging in various training activities.

Bethany home for the aged building was renovated with the help of Mr & Mrs. Brinjulv melve, Norway and the new building is now put in to use for the aged people

I take this opportunity to thank all our Staff, Volunteers and the Well-wishers of this Charitable Institution, who worked very hard to bring-up these marvelous achievements. I also thank the people of God who supported us by Donations and Prayers. I also congratulate all the children who have performed well during the last year and the credit goes to them.

May God bless you all.
